Art & Science Discussion Panel, *The Roots of Plant Cures* (at CENTRAL BOOKING)

Friday, October 13, 6pm

Moderator: Anne Garner, Curator, The New York Academy of Medicine

Panelists: Dr. Ina Vandebroek, James Walsh, Mary Ting

What is the cultural framework in which we understand medical botany? Two participating *Plant Cure* artists, along with an ethnobotanist who works with Latin and Caribbean communities in New York, share their understanding of medicinal plants in these contexts. Curator of Rare Books at the New York Academy of Medicine Anne Garner will moderate.

Medicinal Elixirs Workshop by Jena Min (at CENTRAL BOOKING)

Saturday, October 21, 1-4pm

Fee: Early Bird discount until October 1 - \$60, afterwards and at the door - \$75

How can you use plant remedies to enhance your daily wellbeing and health? Make your own hemp elixirs and learn about the multitude of ways you can easily benefit from their therapeutic effects. This workshop will cover the basics, the not-so-basics, and we'll even send you home with a wellness goody bag!
